Working with my wife has it's challenges.

Beautification Day

Working with my wife has its challenges. Being around Kim all day and night can be a bit much. Of course, I'm sure she would say the same thing about me. After all, everybody needs downtime, time to be alone and do their own thing, time to decompress and reflect.

I had every intention of using the weekend to do just that. Having recently purchased a top-of-the-line aluminum reel, I couldn't wait to spend my Saturday fishing at the lake.

And that's exactly what I would have done if it hadn't been for the company's annual beautification day. My boss just had to schedule the event for the very day that I had planned to go fishing. Attendance was mandatory, so I couldn't just blow it off. As for my wife—well, she wasn't happy about it either. Kim had wanted to spend her Saturday competing in a local tennis tournament.

"The whole thing is ridiculous," she said as we lay in bed that Friday night. "I mean, why not just hire a professional lawncare service? The company has plenty of money . . ."

"The boss sees this as an important teambuilding exercise," I explained. "Just be glad it's only once a year."

"I should call in sick tomorrow."

"Don't even think about it, babe. We're in this together."

"Misery loves company, huh?"

"Exactly."

I felt bad about Kim missing the tournament. My wife was one heck of a tennis player; she had a good shot at winning her age bracket. Kim, a star player in college, worked hard on her game. When not practicing at her favorite court she could be found at the gym lifting weights and running on the treadmill.

Her body was out of this world, toned and tight in all the right places . . .

I turned on my side to face her. "Want to have some fun?"

She searched my face. "I don't know, honey. We've got a long day tomorrow."

Kim was right. Last year's beautification day had been exhausting. Mowing. Raking. Trimming. Pruning. Painting. The staff had worked like dogs from morning to night, stopping only once for a brief picnic lunch.

We would need all of our strength to make it through the day. Still, I was eager to fuck my hot thirty-year-old wife. If banging Kim tonight made me lethargic tomorrow—well, so be it . . .

She hemmed and hawed but eventually came around. I watched with mounting excitement as she lifted the hem of her nightie and rubbed her pussy. Removing my boxer shorts in record time, I rolled on top of her and plunged my cock into her cunt. She cried out, turning her head to the side, her mouth gaping. I thrust three times, hard and deep, before fucking her in earnest.

Driving my hips repeatedly, I hammered Kim's hot hole with everything I had. She moved beneath me. Writhing and panting, my tennis hottie wife bit her lip; this a second or two before a spaghetti strap dropped from her shoulder and her tits popped free.

Kim had a stellar set of firm B-cups, perfectly shaped half melons topped with conical brown nipples. The mere sight of

I lifted the hem hastily, my pulse pounding as I peered at her beautiful bum. My wife's ass was her finest feature, a tight apple booty just begging to be banged.

those jugs drove me wild with desire, prompting me to screw her with renewed vigor. I pounded her good and proper. Her tits shimmied with each jab. Things continued in this fashion until I slowed down, pulled out, and flipped her over. The change of position caused Kim's nightie to cover her ass. I lifted the hem hastily, my pulse pounding as I peered at her beautiful bum. My wife's ass was her finest feature, a tight apple booty just begging to be banged.

Holding her trim hips, I entered her from behind. Kim loved it doggy style. She looked over her shoulder and said, "Oh yeah, baby! Fuck me good!"

Not to brag, but I fucked her good, making my wife come shortly before I exploded inside her . . .

The following morning was depressing. A beautiful Saturday—sunny, not a cloud in the sky—and we had to spend it beautifying the company's property.

"This sucks," Kim said as I drove to the large corporate office.

"Tell me about it." I stopped at a red light. "Oh, by the way. You were fantastic last night."

"Thank you, honey. You weren't so bad yourself."

"Maybe we can sneak off later today when nobody's looking and have ourselves a quickie."

"Don't you ever get enough?"

"Never."

The light turned green. I sped through the intersection and drove on to work, taking a longer route to avoid driving past the tennis courts where today's tournament was being held. Seeing those courts would make Kim sad, and I couldn't bear to see her like that. Granted, the longer route took us past the sporting goods store where I had bought my new reel, the one I had planned on using at the lake today.

I sighed heavily as we drove past the place. My gesture wasn't lost on Kim.

"There's always next weekend," she said.

"If it doesn't rain," I told her.

"Well, if it rains," she said, "we'll just stay at home and have a sex marathon."

I glanced at her and smiled. "I like the way you think."

"I hope that's not all you like about me."

"You know better than that."

The parking lot was already full when we arrived. Nobody was happy to be there, but some folks hid this better than others. I didn't have the energy to feign enthusiasm, so I kept my distance from the boss lest he take note of my sour attitude.

Kim was dispatched to the front of the property where half a dozen staff members had already started raking leaves. I was given a hammer and a bag of nails and told to mend the fence running behind the building.

"Good luck," Kim told me.

"Don't work too hard," I said. "And remember to drink plenty of water."

"Yes, sir."

We went our separate ways, both of us resigned to having a crappy day. On the bright side, mine was a solo assignment. I preferred to work alone, especially when tasked with a monotonous job. A talkative coworker would slow me down and sap my energy, which was already running low.

The fence had seen better days. I spent most of the morning reattaching boards that had come unnailed. I established a nice rhythm, losing myself in the repetitiveness of the work. I would have rather been fishing, sure, but things could have been worse.

Lunch was catered by a local sandwich shop. At noon we all took a break and fed our faces. Kim worked in personnel, so she ate with her colleagues from HR. I snuck off by myself and ate in the car, cranking up some

tunes and wishing I was at the lake.

After lunch I returned to the fence to find our newest college intern sitting all by herself. It didn't take me long to figure out why. The unmistakable scent of pot greeted me as I came upon the scene.

"Hey, Ariel." I sniffed the air exaggeratedly. "Something smells good."

Her face lost all its color. Poor thing. She was mortified. The company had a no tolerance policy regarding drugs. No doubt she was worried about losing her internship, perhaps even getting kicked out of school. I quickly dispelled her fears . . .

"Relax. I won't say a thing."

"That's a relief," Ariel said, the color returning to her youthful features. "You had me worried."

I didn't smoke pot often, but when I did it always made me extremely horny. That wouldn't be a good thing, not while in the presence of a nineteen-year-old hottie like Ariel. I had never cheated on Kim and had no desire to do so.

Until Ariel started flirting in a brazen manner. Eager to help me, she bent over to grab a handful of nails from the box on the ground, making damn sure that the hem of her short accordion skirt rose high enough to give me an eyeful of her mouth-watering ass.

Smiling coyly, she dropped the nails in the palm of my hand. Ariel knew the effect she was having on me, knew it and loved it. I turned to the fence with every intention of hammering those nails home.

I wound up hammering something else; this after Ariel said she wanted to suck my cock . . .

"Excuse me?"

"You heard me," she said.

Sure, I did. Loud and clear. Still, I was a married man. Happily married. But Ariel wouldn't be denied.

And I proved too weak . . .

Moments later, I stood there by the fence with my throbbing dick in her mouth. Crouching before me, her lips gliding up and down my shaft, Ariel wowed me with her oral talents. I almost nutted in her face when she took my ballbag in her greedy maw and proceeded to stroke me with a skillful hand.

I thought she would finish me with her mouth. But no. Ariel had other ideas.

Withdrawing her lips from my junk, she stood and placed her hands against the fence. She looked like a suspect being frisked by a cop. The shorts bunched around my ankles made it difficult to move, but I managed without falling flat on my face. Standing behind her, I lifted the skirt, pushed her cotton panties to the side, and pushed my cock inside her. Ariel had a tight teen twat. I tapped it like a man possessed, hammering her pussy none too gently.

Her ass was bigger than Kim's, wider and softer. It jiggled as I fucked her, absorbing the impact of my repeated thrusts. I don't know if she came, but I sure did, all over that bountiful booty of hers!

"I needed that," she said after we had made ourselves presentable.

"Me too," I told her.

"Well, take it easy. I'll see you on Monday."

"You bet."

She left me there by the fence. Turning on her heels, Ariel walked to the other side of the property where they had her trimming hedges. I studied the seductive sway of her hips. Beautification day, I thought with a wry grin. That ass of hers, different from Kim's in every way, didn't need any beautifying; it was fine like that.

Wielding the hammer, I got back to work, pounding nails for the remainder of the day.

Fishing was the furthest thing from my mind.

I lifted the skirt, pushed her cotton panties to the side, and pushed my cock inside her. Ariel had a tight teen twat. I tapped it like a man possessed, hammering her pussy none too gently.

KAYLA QUINN

For someone who got a late start in the lovemaking field, Kayla sure made up for it. This shoot was several months after her new breasts; and she told us she had been fucking almost every night since. But after all that, she said she saved anal just for this shoot.

THE MAN CAVE

LESBIAN ANAL

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My first time trying anal was with my girlfriend, Emma. I'd always been curious about it, but never worked up the courage to try it on my own. It was a couple months into our relationship when we started talking about it, and another week before it actually happened.

We laid together in bed, our naked bodies pressed together as we made out. Emma's hands roamed my curves. She broke the kiss and trailed her lips down my throat to my collarbone, where she nibbled and I arched into her touch. My nipples stiffened and she took one into her mouth, sucking hard as her hand drifted between my thighs. Emma's fingers found my clit, rubbing slow, teasing circles around it. I was already wet. It was far too easy for her to get me riled up. She slipped a finger inside me and pumped it while her teeth toyed with my nipples.

Then, she pulled out and trailed her fingers down. Lower and lower, until she was circling my tightly clenched asshole. I tensed, a flicker of uncertainty flashing through my mind. Emma seemed to sense it, because she paused to give me a reassuring smile.

"Just relax, baby," she murmured, her voice low and soothing. "We'll take this nice and slow,

okay?" I nodded and focused on relaxing my body, willing my muscles to soften and open for her. She rubbed my rim with the tip of her finger, barely grazing the skin. It was a strange sensation, but not a bad one. I tried to think more about the other parts of my body she was touching. To really enjoy the way her soft lips pressed against my skin. Honing in on the pleasure I got from my nipples being played with. Slowly, I felt myself starting to let go.

Emma saw me sink into my pillow and pressed a slick finger against my puckered hole. With the slightest pressure, the tip of her finger slipped past my rim. I gasped and tensed again slightly. She held still, letting me adjust as she moved to stroke my clit with her other hand. Once my muscles settled back down, I rolled to my side and reached for the lube on the bedside table. I handed it to Emma and she pulled out her finger to coat her hand with the slippery substance. Setting the bottle aside, her touch returned to my tight ass.

A chill ran through me when her fingertip pressed against my entrance once more. This time, the digit slid in easily. My back arched as I pressed back against her hand. A mix of discomfort and arousal confused my senses. Gently, Emma thrust in and out of my ass, while her other hand continued circling my clit. Tension was building low in my belly, a familiar warning of a climax. Just as I thought I might explode, Emma flicked her tongue over my clit and sent shockwaves coursing through my body. My pussy clenched hard around nothing as I cried out. She worked me through my orgasm, continuing the soft motions and flicking her tongue over my clit until I collapsed back against the mattress panting.

Even then, Emma didn't stop toying with me. She then added a second finger. Working them in and out of my stretched hole as she continued to tease my clit. I was growing used to the sensation in my ass, my muscles relaxing and accepting the intrusion.

My back arched as I pressed back against her hand. A mix of discomfort and arousal confused my senses. Gently, Emma thrust in and out of my ass...

By the time Emma worked a third finger inside me, I was writhing on the bed. The sheets beneath me were soaked and I was past knowing how many orgasms I'd even had already. Throughout the night, Emma milked several orgasms out of me, each one more intense than the last. My ass ached, and I couldn't tell which one of my holes needed to be filled by her strapon the most. We saved exploring that option for next time, and simply cuddled until dawn broke through the curtains. I almost begged to keep going when I heard her whisper into my ear, "I can't wait to see the look on your face when I split you open on my big, hard cock." I shuddered at the thought.

“I was on a radio show in Miami that used to have porn stars on as guests. I befriended this one starlet through the show who shortly afterwards introduced me to an agent in the biz. I loved having so much non-stop sex. I enjoyed being able to step outside of myself; and the rest, as they say, is my porn story.

CARMELLA BING

“I moved to Vegas because I wanted to be a showgirl. I envisioned rubbing elbows wth high rollers, but all they wanted was to try to rub my on my boobs and butt. But being voluptuous, I was too curvy. I thought I could work some of it off by running but I’d barely get a few steps before getting hit on.”
